President's message.

This month I want to remind you all that there are still vacancies for committee jobs and one board member slot. Please help us out here; a handful of us cannot do it all. Kathy Sacks, who is doing the calling, has a Tennessee phone number, area code 731. If that shows up on your caller ID it is probably her. If not then you get the opportunity to bellow at a telemarketer!

Showtime this month hope most of you have made the effort to participate

The Art Spirit by Robert Henri

When the art is alive in any person, whatever his kind of work may be, he becomes an inventive, searching, daring, self-expressing creature. He becomes interesting to other people. He disturbs, upsets, enlightens, and he opens ways for a better understanding.

Laurie A. King's **THE MURDER OF MARY RUSSELL** (2016).
This novel weaves rich historical detail and provocative themes with intriguing
characters and enthralling suspense. Does this adventure end it all?
