## Message from the President

It was so nice to see so many at our first meeting and we are hoping to see all of our members for our November 21 demo . Final plans will be discussed for our Winter Show and Chair Sale. We are counting on our members to donate a chair which you have decorated for our sale . There are tons of ideas on- line and at Pinterest sites on painted chairs. We are hoping that you will generate interest by hanging our posters and through word of mouth among your friends and acquaintances. This is an attempt to generate funds through "stretching" our creativity onto another surface. Pretend it's a canvas...! Decoupage your photographs onto the surface or examples of past works of art-the sky is the limit.

**WE NEED YOU! CELEBRATE OUR 90TH THROUGH ATTENDANCE, MAKING AND SHARING ART, VOLUNTEERING, AND ENJOYING OUR MOUNT DORA ART LEAGUE FRIENDSHIPS**

**Our Demo for the November Meeting  
 Zentangles——Ginny Stiles**

What members need for the demo.  
 If participants wish to do some drawing with me (optional) a ultra fine black marker (Sharpie will work) might be nice and some sort of support. I am planning on bringing some blank book marks cut from wc paper. One per person. But they would need something to put on their laps as a support (a book or heavy magazine ) A pencil would be good too. Camera & notebook?

The short definition: *Zentangle* is an easy to learn method of creating beautiful images from structured patterns.

**Quote of the Month**

Arthur Erickson, architect  
 I never use any ideas again. Once I've used them, that's it.

**Esther's Bookshelf**

Clara and Mr. Tiffany by Susan Vreeland. "As sparkling and alluring as the lost story of the woman who created the famed Tiffany glass lamps . . . a noble masterpiece . . . high-quality literary fiction . . . contains love, human drama, and American cultural history .
